## Y3P jumps aboard the Saltwater Classic

It is great news that the influential and progressive Y3P network has jumped aboard the Saltwater Classic with member participation in the foreshore activities in Port Vincent on Sunday 10 April.

Y3P proudly promotes Yorke Peninsula foods, products, art talents, accommodation venues and services.

Caroline Bonnett, Chairperson of Y3P, said the group was delighted to participate in the event to “bring Yorke Peninsula’s premier producers, people and places together” at one of the region’s most popular tourism events.

Among the first Y3P members to promote their businesses and the region at the Saltwater Classic will be MBC Foods, Barley Stacks Winery and Alpacas Chaparral.
